

HERON LOSES AMATEUR GOLF TITLE

Roslyn, N. Y., Sept. 8.—The United States amateur golf championship and former champion were eliminated in today's round of the National amateur golf tournament. Davidson Heron of Pittsburgh lost his title when he was defeated by J. Wood Platt of Philadelphia, whom he put out in last year's tournament at Oakmont. Platt won today 2 and 1.

Robert A. Gardner of Chicago, former champion, was eliminated by another ex-champion, W. C. Fownes, Jr., of Pittsburgh. The score was the same as in Heron's match.

Two matches today went to extra holes. Charles Evans, Jr., of Chicago defeated Reginald M. Lewis of Greenwich, Conn., at the 14th hole and Edward F. Allis of Milwaukee won from Oswald Kirby of Englewood, N. J., at the 23rd hole.

Thomas D. Armour, who holds from Scotland and holds the amateur championship of France, had little trouble with Philip Carter of Shinnecock, defeating him four and three. Tomorrow Armour plays Francis Outter of Woodland, former open and amateur champion, who today had an easy time with M. M. Needham of New York. T. Jones and Jack of Merion, 3 and 1.

A great battle of juvenile stars is expected at Atlanta, 20 years old, plays F. J. Wright, Jr., of Watertown, Mass., 22 years old. Today Jones eliminated F. J. W. Dyer of Montclair, N. J., 5 and 4, while Wright had a tough battle with J. M. Sweetser, Yale intercollegiate champion, who was put out 2 and 1.

Things looked bright for Heron to continue into further rounds of the tournament when he started his afternoon's play. He was 2 up on Platt as a result largely of two long 39 and 35 foot putts in the morning.

After they had played four holes in the afternoon the match was all square. Heron took a six for the fourth hole, the par of which is four. His second shot left him with an unplayable lie. They remained square until the 11th hole of the afternoon when Platt beat him 1 up by better putting. At the 13th hole Platt increased his lead to two because Heron had a bad six foot putt by remarkable putting halved it. Next four holes and took the match. At such of these holes he was in a trap but picked out and holed putts ranging from eight to 12 feet.

"Chick" Evans was 1 up after his morning round and managed to square the match at the home green after being 1 down in his afternoon round. At the home green, by use of his distinctive double barrelled putter, which his fellow golfers call a safety razor, Chick holed a 12 foot putt, while Lewis had a bad approach which dropped on a hill overlooking the green.

Lewis in the extra hole, saved himself from earlier defeat by several sensational shots. On the first extra hole he made a 25 putt that almost was holed and Evans, after missing an 8 foot putt, conceded the half. On the second extra hole, Lewis made an approach shot that landed on a steep bank and then he chipped a four foot putt shot that just missed the cup. Evans again agreed to halve the hole after missing a comparatively short putt. Lewis was able to halve the hole after a largely as a result of an excellent approach from the rough with a clump of grass obscuring his view of the green. In the fourth hole, a fly which Evans laid, resulted in a half. One the last

ON WAY TO NEW YORK

Chicago, Sept. 8.—Jack Dempsey, world's heavyweight champion, accompanied by Manager Jack Kearns and newspaper correspondents, left today for New York, where Kearns hopes to close matches with Gunboat Smith, San Francisco heavyweight, and Bill Brennan of Chicago. The match with Smith is tentatively set for the match on September 25.

While Dempsey was preparing to leave he learned that Billy Mike, his opponent in the Labor Day battle at Boston Harbor, Mich., was in the hotel dining room having lunch with Mrs. Mike. The champion immediately deserted his friends to find Mike. They chatted pleasantly for a few minutes and parted with a hearty handshake.

Before leaving Boston Harbor, Dempsey presented Mrs. Floyd Fitzsimmons, wife of the promoter of the Labor Day contest, with a \$12,000 automobile. Mike will return to his home in St. Paul tomorrow for a hunting trip.

FINANCIAL AND COMMERCIAL

MARKET CLOSED HEAVY.

New York, Sept. 8.—The stock market was without a definite trend during the better part of today's professional operation, although losses predominated among most of the active issues at the heavy close.

Exceptions to this tendency were furnished by several of the oils, steels and investment rails, also specialties of the class represented by sugar, which were the favorites in the transportation and industrial groups were reactionary. Sales amounted to 275,000 shares.

Sentiment among traders inclined towards further pessimism, the market's failure to respond to various favorable developments prompting a resumption of selling for the short account, especially in low-priced rails, equipments and associated issues.

Many conditions continued to show greater ease, to the extent that more funds were available for time loans and call loans ruled at 5 per cent. Against yesterday's maximum of 8 per cent. The strain on local resources also halted and banks at western and southern reserve points were reported to be lending more liberally on commercial paper.

The market for foreign remittances again ignored further arrivals of gold imports, both London and Paris standing still, while the rate broke weakly, probably in consequence of serious industrial disturbances in that country.

Domestic industrial conditions were summarized by the Iron Age in the statement that a "waiting attitude" prevails in the steel trade, on the theory that low prices will prevail for fabricated products in the coming year.

Most bond issues, domestic and international, followed the course of stocks, easier tendencies being shown by Liberty and popular government bonds. Total sales (par value) aggregated \$3,150,000. U. S. bonds were unchanged on call.
